

## Parent Tip – Week 2

### *Purpose:*

We want to teach our child(ren) to Follow Instructions so they will get things done faster, do things correctly, and likely have more free time.

### *Tip:*

Reminders will help your child(ren) be more successful. When your child forgets to use their Social Skills – give them a reminder.

When a child is not Following Instructions say, “You need to Follow Instructions when I say to clean up your toys. Remember to Look, Nod Your Head or Say OK, and Do it Right Away. When you Follow Instructions, you will be able to play outside sooner.”
