Project CLASS Core Skills Workshop

The Project CLASS Core Skills Workshop Training builds on the current skills of the participants and strengthens abilities to: concentrate teaching on important, simple, clear, defined user-friendly social and learning readiness skills; notice and communicate what children are doing and not doing in their social behavior; communicate with language and intention that help children implement skills and experience success; respond in a consistent and effective way to children's appropriate and inappropriate social skills behavior, facilitating their social skills development; effectively "set expectations" for social skills behaviors; effectively use "praise and positive attention" directly linked to social skills behaviors; effectively use "reminder prompts" directly linked to social skills behaviors; effectively make use of "choices" and "consequences" directly linked to social skills behaviors; make social skills teaching FUN by using music, songs, movements, and scenarios; avoid a number of pitfalls that lead to power struggles with children; feel more confident that participants know what to teach and how to teach social skills effectively; teach social skills positively with positive results.
